Wellington

## Discover five weekday walks

Living Streets and WCC have produced a brochure called 'EXPLORE Five Weekday Walks.' This brochure has been produced to promote walking within the Wellington CBD. The brochure consists of 5 walks in and around the city with the aim of encouraging Wellington CBD workers to walk to and from work using alternative routes other than the roads. These walks will also encourage workers to walk at lunchtime.

Initially there will be 20 000 brochures produced and distributed.

**The launch will be at WCC – 6 pm  
Monday 26th April**

**Wellington**

**Transport**

**Submission**

The Wellington transport submissions closed on Friday 19th March. Living Streets Aotearoa have submitted their feedback on this document.
