

Good morning

I hope you are keeping warm this winter and have time to walk in the sunshine.

This letter goes to all our contacts. If you are a member you would have just paid the subscription, if you would like to [join Living Streets its only \\$5](#).

Do look at our Give Way [campaign page](#) and download and [print the flyer](#) for your friends. Be the change you want to see and give way to people trying to cross the road.

Thanks for your attention.

Kind regards

Andy Smith, President.
