

Walking and Cycling Micro-fund - Successful Applications for 2008

Nov-08

53 projects funded from \$ 45,000

| | Organisation | Location | Project Title | Summary | Funding for | Timing | Amount Awarded |
|---|---|----------------|--|--|--|---|----------------|
| W | Atareira | Wellington | WALK THE TALK RECOVERY AND THE CITY | Power breakfast for energy. Walk to connect with the city. Identify visual, external and internal features of places of interest such as: Central Post Office, Cable Car, Botanic Gardens, Treasury, Len Lye Water Sculptor, Central Library, City Art Gallery and the Embassy Cinematic Theatre. | food, broadcast equipment hire, advertising, prizes | Early December 2008 – all day event with planned breaks | \$ 985 |
| J | Bike Walk Marlborough | Blenheim | Bike Walk Marlborough (BWM) Mapping | Mapping of the CBD and Greater Blenheim area. Identifying short walks and non vehicular access ways and links for pedestrian and cycle use. Reserves, civic areas, schools, toilets, post office, police station, cycle stands and public facilities will also be included. No such map exists currently and it is aimed at both locals and visitors and way-finder signage at all junctions is planned to accompany the maps. | Research, Map design, Print set-up costs and initial run, Promotional activities | October –December 2008 | \$ 1,000 |
| C | Community and Public Health | Timaru | Safe Cycling and Bike Handling Skills Training for Commuting | Workshops with a qualified cycle training instructor for adults who want to improve their bike handling skills. | Cycling Instructor Fee, Advertising | Feb-09 | \$ 1,000 |
| W | Community and Public Health, Canterbury DHB | Christchurch | Walk2Work Wednesday 2009 | This is an event style project based on Living Streets Aotearoa 2008 Walking2Work Pilot undertaken in Wellington. This event will be the inaugural event for Christchurch | Posters (100) Flyers (300), Food not sponsored, Prizes not sponsored, Venue and equipment hire, Entertainment, Advertisements in newspapers, Koha for Speakers, Graphic designing for advertisement. | 18 th March 2009 | \$ 1,000 |
| C | Cycle Action Auckland | Auckland | TRANSFORMING ROADIES TO COMMUTERS | This is a new project which will build a relationship with the bike retailers and wholesalers. We aim to involve them in cycling advocacy and encourage them to become 'agents for change'. This relationship would enable CAA to better communicate with recreational cyclists, a group of active cyclists who would be receptive to cycling more for everyday travel or commuting by bike. | Fees paid to a coordinator contracted to CAA, Associated costs, phone, broadband, printing | October to December | \$ 450 |
| C | Cycle Action Auckland | Auckland | ENLISTING AGENTS FOR CHANGE | This is a new project to increase the number of people advocating for cycling in the Auckland region. Cycle Action will achieve this by increasing its contact with its Members and Friends, turning Friends into Members and gaining new Friends and Members. | co-ordinator on contract to CAA, related office costs, printing, phone, broadband | October to December 2008 | \$ 450 |
| C | Cycle Action Waiheke | Waiheke Island | Bike Wise Waiheke 2009 | This application is to supply funds to enable a series of events around bike wise week in 2009. CAW have facilitated several awareness campaigns particularly centered on Bike Wise week for the last two years in February. In the past these event have included Bikers breakfasts, cycle maintenance workshops, film shows and cycle training for school children. | Publicity, Cycle training-hire of bikes and paying/costs for trainers, Giveaways and prizes /repair parts, Hire of function centers | Bike wise week or Saturday 21 February–Sunday 1 March | \$ 1,000 |

| | | | | | | | |
|---|------------------------------|------------------|--|---|--|---|----------|
| J | Cycle Action Waiheke | Waiheke Island | Car Free Esplanade Day | A beautiful section of road on Waiheke is planned for a roading upgrade. widening and tar sealing it turning what is a seldom used single track gravel road into a two lane vehicular road. Cycle Action Waiheke have discussed other options including closing the road to vehicular traffic and dedicating it as a coastal walking/horse riding and cycling track of approximately 3 KM. Similar to the model in Taranaki Councils roading engineers and planners have now agreed to carry out consultation on peoples wishes in the community. | Publicity- advertising, posters/ banner production, Road closure costs/permits/Policing, Giveaways and prizes for competitions and events, Funds to pay musicians and street entertainers, Survey Forms on the potential of road closure | not confirmed, possibly easter weekend or during Bike wise week | \$ 1,000 |
| C | Cycle Aware Manawatu | Palmerston North | On-road cycle skills training for adults | We will contract a qualified cycle trainer to train experienced cyclists in how to train other adults in safe and effective skills for riding a bike safely on the road in traffic. We will then organize a series of 3 practical bike riding sessions one-on-one/two to teach this to aspiring/novice cyclists. | Cycle trainer travel expenses, Cycle trainer time + teaching resources, Advertising, Bike preparation costs to the Green Hub | Fe- April 2009 | \$ 1,000 |
| C | Cycle Aware Wellington (CAW) | Wellington | Battle of the BUGS – a bike wise challenge | Battle of the BUGS (Bicycle User Groups) will celebrate the success of BUGs by giving prizes to different BUGs in the Wellington Region. The Battle aims to promote the establishment and expansion of BUGs, through WCC Cycle into Summer events, culminating in a prize giving for Battle of the BUGS during Bikewise Month February 2009 – in association with Bikewise Business Battle and Go By Bike Day. | Promotional business cards, design and distribution, Collating and posting resources on CAN/CAW website, Prizes, Project co-ordination and promotion | from Nov 2008 events to Go By Bike Day 18 Feb 2009 | \$ 500 |
| W | Dargaville Primary School | Dargaville | Walking School Bus | Dargaville Primary's walking school bus route is along Hokianga road. The start point is approx. 1km from the school and students are added as they walk to school from various side streets. The aim is to get students regularly walking to school but under safely managed practices. Provision of promotional items and identifying clothing will promote the walking school bus concept and encourage more to join. | Cascade Jacket- waterproof polyester for students x20, Anorak Jacket for parents x 3 | October 2008 and to continue during school terms 2009 | \$ 960 |
| W | David Henry School | Tokoroa | Thursday Trekkers | The school already has a walking programme in place, with occasional guest walkers. We would like to continue this programme ...and.... encourage more people. We would like to add a new initiative of parent 'T' at the end of the successful 1km walk, a cup of tea would be provided to parents at the end of the walk to encourage friendship, walking, and contact with the school. | PRINTING;LAMINATING;ADVERTISING, Incentive awards, Parent 'T' time | Term 1 and 4 initially | \$ 900 |
| J | Deanwell Primary School | Hamilton | Deanwell School – Getting Out There | We wish to promote two weeks of students walking to school accompanied by relevant road safety education programmes for students and parents. The concluding highlight will be our five o'clock evening family walkathon from school and around the local park – followed by a celebration community and school picnic b/que. Student made promotional pamphlets to advertise our "Getting Out There...walking and cycling in our community. | Promotional materials and CD ROMs for student work, Incentives and spot prizes, Bottled water and healthy b/que. | March 2009 – for two weeks | \$ 1,000 |
| C | Green Bikes Whanganui | Wanganui | Cycle Training for Cycle City' | The project is cyclist skills training courses, aimed primarily at youngsters but also to involve parents and carers, even whole families. many children are excluded from the police course in schools because not all schools participate. Taking place over the summer school holidays, we will provide road safety / cyclist skills training workshops to the people of Wanganui. | Project development – curriculum formulation, resources – road cones, etc, advertising, tutor costs – 4 x 3 hours @ \$25 per hour | Summer 2008/09. Four morning sessions | \$ 1,000 |

| | | | | | | | |
|---|---------------------------------|------------------|---|---|--|---|----------|
| J | Harrisville School | Tuakau | How to come to school the Harrisville Way ! | The Harrisville School Leaders (10 Year 5/6 students) intend to develop a leaflet which will target the students and parents of the school in regards to promoting walking and cycling to and from school and encourage families to walk/cycle in the local area | layout and design, print | start term 4 distribute term 1 2009 | \$ 950 |
| J | Heels & Wheels Taumarunui | Palmerston North | Heels & Wheels | Heels & Wheels links transport safety awareness and physical activity strategies into a singular weekly event. Activities include: 'Rockin & Ridin' free breakfast and prizes for community members who walk or cycle to work, Free bike safety checks and repairs, Spot prizes throughout the week to community members who consistently travel to work via bicycle or walking, Distribution of transport safety and physical activity education resources, Promotion of 3 local walking tracks, Group walking session for each track throughout the week. | Advertising, breakfast cost, prizes/givaways, bicycle check and repair person | Monday, 1 st December – Friday, 5 th December 2008. | \$ 1,000 |
| W | HEHA Greymouth | Greymouth | Walk to Work Wednesday 2009 | 'Walk to work' day West Coast style where employees will be encouraged to either walk to work, or if this is not possible (as many people commute between towns) to park the car further away than usual and walk some of the journey. | • Communication Material design and printing costs, • Prizes – 'Walk West Coast' umbrellas | Wednesday 18 th March 2009 | \$ 1,000 |
| W | Living Streets Palmerston North | Palmerston North | WWW Workers' Walking Wednesday | This is intended to be one of five 'Living Lightly Wednesdays' in April 2009. Qualifying participants will be provided breakfast and some will receive spot prizes (appropriate for walking) as inducements and to provide a media-suitable focal point and to create a fun, positive, celebratory atmosphere. Will also map origins of walkers' journeys and calculate CO2 emissions avoided compared to if people drove cars for these journeys. | Food and drink, Tent hire, Publicity, Communications | Wednesday 29 th April, 2009 | \$ 1,000 |
| W | Living Streets Dunedin | Dunedin | Walk2Work Day Dunedin | This is our first involvement as a fairly new user group, with this type of event in Dunedin. It is anticipated (based on the organising committee's analysis) that it will be similar to the 2008 Pilot held in Wellington and the annual Dunedin Bike to Work Breakfast held for cyclists (a Bike Wise Week event). | Flyers and posters, photocopying, Food and/or publicity giveaways | Wednesday March 18, 2009 | \$ 1,000 |
| W | Living Streets Hamilton | Hamilton | Hamilton Walk2Work Day | This will be a one-day event, along the lines of the inaugural Walk2Work day held this year in Wellington. | Food, Spot prizes, Publicity | March 18 th 2009 | \$ 1,000 |
| W | Living Streets North Shore | North Shore City | Walk2Work 2009 North Shore | We will be organising a walk2work event with speakers, light breakfast and coffee, spot prizes and a participants walking story competition. This is our first event – the group is forming on the 6th of November. | Posters, Flyers and registration forms, Venue and equipment hire, Entertainment, Advertisements in newspapers, Koha for Speakers, Extra Prizes (not sponsored), Extra Food (not sponsored) | 18th March 2009 | \$ 1,000 |
| W | Living Streets Wellington | Wellington | Walk2Work Wellington | We will be organising a walk2work event with speakers, breakfast snacks, spot prizes, walking story competition. We helped organised a similar event in 2008 | Posters, Flyers and registration forms, Extra Food (not sponsored), Venue and equipment hire, Extra Prizes (not sponsored), Entertainment, Advertisements in newspapers, Koha for Speakers | 18 th March 2009 7-9am | \$ 1,000 |

| | | | | | | | |
|---|---|--------------|---|--|--|------------------------------------|----------|
| C | Mauku School | Pukekohe | Promoting cycling in a rural setting | Offering a cycle skills course to the year 5/6 students, Offering an 'on road' cycle course/experience, shared picnic, Invite local Road Safety Coordinator and the school's Police Education Officer in to the school to follow up with cycle theory lessons (based on Riding By – Road Safe Series). | Bigfoot Cycle skills and Safety Lessons. | Term 1, 2009 or early term 2, 2009 | \$ 1,000 |
| W | Nelson City Council | Nelson | WALK TO WORK DAY – March 2008 | We will promote the up coming Walk to Work Day extensively throughout early March. This will be in addition to existing work which promotes active transport – particularly BIKEWISE and the FEET FIRST promotions. We plan to provide "FUEL STOPS" and rewards for those who walk on the designated day at various locations around Nelson, Richmond, Motueka, Murchison and Golden Bay. | Bagels/ Cream cheese and jam, Hire of catering equipment / catering staff/toasters/ trestles etc, Giveaway merchandise including maps, Advertising and promotion | | \$ 1,000 |
| C | Nelson Cycling Course | Nelson | Cycling Course | The council requires a First Aid certificate for cycling course tutors. the cost is carried by the contractors. I am asking you for support in this area because my earnings are very little. I wish to continue to teach Cycling skills here. But I need help to fund this extra cost. for legality's and students welfare. | First Aid Certificate | ongoing cycling courses | \$ 215 |
| W | New Plymouth Injury Saf | New Plymouth | Street Party | We are planning to hold a large street party outside a local school to highlight road safety issues around our local schools and to attract local media coverage. The short-term aim of the street party is to slow traffic passing the school (due to the party) and to enable school children to make direct contact with drivers and promote road safety messages. The longer-term aim of the street party is that it will be part of an ongoing process of "re-claiming the streets" and encouraging increased walking to and from school as a means of promoting road safety around school. | road safety flyers, Prizes, Party hire, Water bottles, | November or December 08, term 4 | \$ 1,000 |
| J | Ngaruawahia Primary School | Ngaruawahia | Ngaruawahia Primary School 'Get to School by foot and/or bike for breakfast'. | a whole school – New Entrants to Year 8 students' promotion with a Get to School by foot or bike breakfast. a week long promotion in week 5 of students walking and/or biking to school. towards introducing walking school buses in the future. Maori health is an issue for our tamariki and their whanau and we are prepared to lead this initiative and be role models for our learning community. We wish to build up the fitness and sustainability of our students and celebrate the beginning of this journey with a 'healthy breakfast'. | Walking and Cycling breakfast, Road Patrolters rewards, Fluro vests for cyclists and walkers, Correctly fitted cycle helmets. | 11 – 15 November 2008 | \$ 1,000 |
| W | Onerahi Primary School | Whangarei | Onerahi Primary School Walking School Bus | Encouragement of adult WSB drivers and prizes for children after 20 clips on their tickets using home-made badges. We cut up plastic milk bottles into discs for the kids WSB tickets. After 20 clips, they are entitled to a reward/prize – usually stickers etc., however it is thought that having the school kids make badges to celebrate the walking (active transport) champions might help make the WSB really cool. | Badge-making machine, blanks etc, W.S. Bus driver clippers x2, Restaurant/movie passes for drivers, Materials for Onerahi Xmas parade WSB display | ongoing | \$ 1,000 |
| C | Population Health Service Waikato District Health Board | Thames | Go by Bike Breakfast - Coromandel | We hope to be able to provide the Go by Bike Day annual free bikers' breakfast event held in Coromandel Township. The breakfast will be accompanied by information and promotion stalls about other forms of activity available within the town and other forms of active transport; there will be local entertainment and speakers, and prize draws. We also want to provide the opportunity for people to access free bike and helmet checks. | Venue, T-shirts, Banners, Flyers, Posters, Entertainment, Bike Checks, Extra 'emergency' food, PA system, Prizes | 18 th February | \$ 500 |

| | | | | | | | |
|---|-----------------------|--------------|--|--|---|---|----------|
| W | Project Lyttelton | Lyttelton | Walking On. Lyttelton Harbour '09 | Walking On. Lyttelton Harbour 09, is a walking festival that encourages the Christchurch community to get involved, get active and participate in an interesting and educational local walking experience. The 2009 festival is an inaugural event for us, however this type of festival has been very popular world-wide. | towards advertising, marketing, signage, transport, admin, staff costs | Easter 2009 (April 10 th -12th) | \$ 500 |
| C | Quigley and Watts Ltd | Wellington | "Frocks on Bikes" women's cycling initiative | "Frocks on Bikes" is a series of weekly lunchtime bike rides for women and girls. Participants will be encouraged to ride in a dress (or even fancy dress!). A series of rides with associated publicity to: Increase the visibility of bike riding as a realistic option for women and girls; Promote cycling in 'everyday' clothes; Share knowledge about good cycle routes and overcome; etc link women in with CAN and other relevant organizations. | Communications professional (half day), Design of fliers or other promotional materials, Printing of fliers. | February 2009 – 4 weeks duration | \$ 750 |
| C | Ramanui School | Hawera | Cycling for Family Fun!!!! | Family fun day to incorporate fun into cycling and encourage parents to see the healthy aspect of cycling. Also develop cycle safety behaviour. Family Challenge activities ie fitting a tyre, cycle course, Challenges. The purpose is to encourage whanau to bike with their children, identify and reduce risks and barriers for children cycling to school. | advertising, food for BBQ/Salads, prizes | Term 1 2009 | \$ 1,000 |
| J | Rangitikei Active | Marton | GREEN FOOTPRINT PROJECT | The Green Footprint project challenge is for students to make as many journeys as they can during the week, independent of a car. Each journey that was made independently of a car earned a sticker which they collected into a journal. We had 8 schools taking part. We have an interschool challenge going with this project as well – the school which collected the most stickers – relative to the number of students – won a trophy. 8 schools have signed up for the green footprint Project this year. | stickers, posters, drink bottles – which will carry the Green Footprint message, staff wages | November 3-7, 2008 | \$ 1,000 |
| C | Spokes Dunedin | Dunedin | <i>Bike Maintenance Facilities</i> | This project consists of obtaining and making available bike maintenance materials for students as well as some general public access. The facility will be self administrated after its set up, although use on workshop days* and event days will provide users with assistance from people knowledgeable in the area of bicycle maintenance. | Workstand, Consumables for 'free tune-up' promo day, Professional toolkit, Communal bike for breakdowns, Shipping costs, Alloy Floor Pump | launched during Bike Wise month (February 09) | \$ 1,000 |
| C | Sport BOP | Tauranga | Workplace Commuter Cycling Challenge | This is a new cycling initiative to promote cycling to workers as a mode of transport as part of Bike Wise Month 2009. The commuter challenge activities will be cycle maintenance workshops, virtual maps, cycle city routes and incentives. In and around Tauranga. | towards resources, media, maintenance workshops, staff and admin hours, evaluation | 1 st February 2009 – 31 st March 2009 | \$ 1,000 |
| J | Sport Canterbury | Christchurch | School Active Transport Project' | teachers will be promoting the benefits of walking/cycling to school. Over the 4 weeks pupils and classes will record and be kept informed of the progress they are making, pupils who have participated will receive a certificate and there will be awards for those children/classes who have done particularly well. We will record the numbers of pupils getting to school 'actively' before the project started and after the project has been completed. | Travel Cards | 4 weeks during Term 1 February-march 2009. Coinciding with National Walk Week | \$ 500 |

| | | | | | | | |
|---|-------------------------------|--------------|---|---|--|---|----------|
| C | Sport Hawkes Bay | Taradale | RECYCLE | To collect unwanted or surplus bikes, undertake repairs and maintenance to ensure they are safe and distribute the bikes to Hawkes Bay Children who may not otherwise have access to bikes. Bikes are given "Free of charge". A helmet and safety instruction is provided with each bike. The recycle project is to provide 50 recycled bikes to Hawkes Bay children. | ADVERTISING, CYCLE HELMETS, BIKE REPAIRS, Direct staff time, Evaluation Survey, Transport to collect bikes, Training | November 08 to June 09 – 7 months | \$ 1,000 |
| J | Sport Northland | DARGAVILLE | Kaipara Walk / Cycle Week | The project will be a walk/cycle week promotion, 1 – 5 December, for the Kaipara region based in Dargaville. to encourage and acknowledge Dargaville residents cycling / walking to work / school / the shops by randomly rewarding them with prizes throughout the week. a Push Play wrist band will help our spotters when handing out spot prizes. Through asking them to register we hope to capture the number of people partaking in active transport that week. | towards asics shoe vouchers (part sponsored), prizes, media costs | 1 – 5 December 2008 | \$ 1,000 |
| W | Sport Northland | Whangarei | 'Get Your Feet on the Street' Walking to Work | This project will be a Walk to work week promotion, 1 -5 December. This will be the second time this promotion has been run. We would like to acknowledge the people that are walking to work/school or shops by randomly rewarding them with an appropriate prize e.g drink bottles, shoe vouchers, sports towels, travel umbrella's etc throughout the week. | prizes, media costs | 1-5 December 2008 | \$ 1,000 |
| J | Spreydon Baptist Church (SBC) | Christchurch | Initiatives to encourage cycling and walking to SBC | A week of events to coincide with bikewise week. Promoting walking and cycling including a map for Spreydon (produced by Chch City Council), innovative cycle displays and refreshments and a sustainable travel theme to church services, and practical cycling exercises for children's church. Fund covers Printing of the walking and cycling map and publicity material, and refreshments for cyclists. | refreshments for cyclists, printing material, production and printing of map | February 2009 (both Sundays in Bikewise week) | \$ 1,000 |
| W | St Joseph's School | Timaru | Walking School Bus | walking school bus at St Joseph's School. To maintain and develop this we need to make the route clearer to parents and set up various Bus stops along the way, this involves putting bus stop signs up along the way . We also need to promote the route and encourage those who take part with certificates, bus tickets and other promotional material. One of the keys to success is reliable and enthusiastic adult volunteers this involves administration time | Walking school bus stop signs, Promotional material eg certificates, posters, tickets , prizes, Administration costs eg photocopying, laminating, etc, Release time for Coordinator. | starting now and ongoing | \$ 500 |
| C | Step Ahead Trust | Christchurch | Cycle Commuting Skills Tuition | Our main role at Step Ahead trust is to provide an activity based program for people who are affected by a diagnosed mental illness with an emphasis on establishing links with the community and increasing independence. We would like to provide a short course for some of our clients to attend. The course is aimed at helping people improve their cycle commuting skills plus their confidence on the road and is based on the National Cyclist Skills Training Guidelines. | Small Group - cycle commuting skills course X 12 clients | January and March | \$ 960 |
| W | Strathmore School | Tokoroa | Walk on Wednesday | We are running a programme called Walk on Wednesday to encourage children (and parents) to walk to school rather than run their car. We have children earn walking feet (bronze, silver, gold) and would like to offer additional incentives in the form of milestone prizes (child and parent), class prize for greatest percentage of walkers, and small spot prizes | Incentive awards, Advertising, WOW Tickets, Hi Vis Vests | every Wednesday in Terms 1 & 4 | \$ 650 |

| | | | | | | | |
|---|---------------------------------|--------------|--|---|--|--|----------|
| C | Sustainability Trust | Wellington | The Sustainable Transport Supermarket Challenge '08 | In conjunction with the Sustainability Trust, we are organizing a one-off supermarket race event between cycling and driving teams to be held at the Climate Action Festival on the 6 th of December. | promotions, prizes | December the 6 th | \$ 500 |
| C | Sustainable Transport Southland | Invercargill | Bike to Market Day | To promote cycling to a farmers' market and other shopping venues. Will have a bike mechanic on hand to provide free-to-the-public mechanical reviews of bikes. To have displays of bicycle trailers – children passenger and cargo-only type. Promotion of cycling and walking to the farmers' market and other shopping destinations throughout Invercargill. Will be conducting surveys to understand if people are cycling for shopping or what are the barriers which prevent them | Advertising – The Southland Express, Table rental | 01 February 2009 – 4 hours | \$ 525 |
| C | Sustainable Transport Southland | Invercargill | Cyclist training workshops | The two six-hour sessions will be focused on road cyclist training. to increase cycling safety skills for in traffic cycling. This should ultimately give them the confidence to cycle for short purpose trips such as to school, work, shopping, and other trips. | Advertising – The Southland Express, Hall rental, Course materials – photocopying, etc | Saturday, 7 February 2009 (6 hours) and Saturday, 21 February 2009 (6 hours) | \$ 750 |
| W | Sustainable Transport Southland | Invercargill | Increasing awareness for the need of wheelchair accessibility on footpaths | This is a workshop to be attended by marginalised footpath users – persons in wheelchairs and motor scooters – and various elected members and council staff that provide these facilities. Workshop includes: Having the disabled community present their needs for improved footpaths, To create a better dialogue between the disabled community and council staff. | Advertising – The Southland Express / The Ensign, Hall rental, Catering | Wednesday, 19 March 2009 – Walk to Work Day | \$ 915 |
| W | Te Araroa Wellington Trust | Paraparaumu | Te Araroa – The Long Pathway Section: Plimmerton to Porirua | part of a national pathway extending the full length of NZ. The Te Araroa Wellington Trust is responsible for the route between Wellington and Levin. the trust promotes walking between cities and towns and between suburbs and commercial area. We plan to mark the route in November and have an opening in conjunction with Porirua City Council when this is complete. The route will be included in local maps and directories. | Photocopying, Directional Arrows and 100 track Markers | November/ongoing | \$ 500 |
| J | Toi Te Ora-Public Health | Tauranga | Summer Active Transport Campaign | This project is an email based campaign where computer based office workers receive weekly emails for eight weeks encouraging and supporting them to walk and bike to work. A pilot project of 130 people was trialled last year with promising results: - 72% of respondents felt the campaign changed their attitudes toward active transport, - 64% of respondents reduced their car usage as a result of participating. | Registration incentives to first 50-100 to be funded | Advertising begins in mid November, eight week campaign starts mid January | \$ 1,000 |
| W | Walk Auckland | Auckland | Walk to Work Day in Auckland City 2009 | We will organise a walk to work day as defined in the LSA guide. This will be a first for Walk Auckland. It will be a 'centralised' event, with breakfast snacks, information, and possibly entertainment and guest speakers, all taking place at one central location. on a popular walking route to work. | Food, Broadcast equipment hire, prizes and advertising | a 2 hour event on March 18 th 2009 | \$ 1,000 |
| J | Whaingaroa Environment Centre | Raglan | Raglan Cycling and walking Map | Map showing short cuts and cycling and walking times to CBD. WEC has produced a guide to the natural history of the area, including suggestions for walking and cycling. WEC has run bike workshops. | printing | a month to prepare and another month to print and distribute. | \$ 500 |

| | | | | | | | |
|---|-----------------------|-----------|---|--|---|---|----------|
| C | Whakatane High School | Whakatane | Family Safe Cycling and Cycle Maintenance Workshops | We trailed two workshops last term 1 st (On Your Bike - Safe Cycling) and 2 nd (Basic Cycle Maintenance). It would have been better if we had allowed whole families to take part, as this was where the main interest stemmed from. Our funding from TEC only allows us to fund tutor fees for adult courses. Your funding would allow us to include family groups who are showing the most interest. | Tutor fees, Road signs and cones etc for course, Course handouts and DVD | 3 sets of workshops between now and April next year | \$ 917 |
| W | Whau Valley School | Whangarei | Safe and Sustainable Routes to School | Safe Walking Route Week - where teachers meet students before school. Active workplace registered. Active Schools registered. To promote safe walking routes from points within our community – to get our children more active and for parents and children to be more aware of sustainable transport. | hi visibility vests, promotion and incentives, advertising, signage, flouro stickers for school bags. | Term 4 Week 2 – then continued on as part of building an active school culture. | \$ 1,000 |
