

Living Streets Hamilton, Spring Strolls 2015

Instructions for Smyth's Plantation walk: please note that this route is hilly and may be muddy in parts depending on the weather. Wear weatherproof footwear!

Park in Western Heights Ave at the Grandview Rd end.

Walk up Western Heights Drive and turn right into Sunset Close.

At the end of Sunset Cl, take the path through Te Tiwhao Park, emerging on Westridge Drive.

Turn left, cross the road and enter Derek Heather Park along the path. Take the left path around the edge of the park and emerge on Greenfield Drive.

Cross the road and enter the path to Smyth's Plantation. Follow the path through the bush to emerge again on Greenfield Drive (further along it this time). Follow Greenfield to its intersection with Newcastle Rd.

Turn right onto Newcastle, proceed to Dunvegan PI (cross with care). At the end of Dunvegan, enter Caernarvon Park.

Follow the path down to the road, then turn and come back up to exit at the top of the park on Newcastle Rd.

Cross with care and turn down Greenfield Drive. Turn right into Tironui Terrace and proceed to the end of this street.

At the end, enter the path into Te Tiwhaio Park and follow it back to almost the starting point at Sunset Tce. Instead of heading out to Sunset, turn left and follow the path that leads to Prospect Place.

Head down Prospect Place to its intersection with Grandview Rd.

Turn right into Grandview Rd then right into Western Heights Drive to return to your starting point.
