

Have you noticed the Pou Hikoi or Walking Pole in your area?

These Pou Hikoi are here to add a bit of fun to our walking message, so wander past and check them out!

Sign your name on the poles,
draw a picture,
or attach your own art!

Walking locally is a great way to reduce your impact on the planet and it makes you feel good.

These walking poles will only be around for the next week but you can get your shoes on any day to make a difference!

WORLD ENVIRONMENT DAY 5 JUNE 2008
